Dear Parents of 7th - 10th Grades,

Based on the schedule above, your child will have Mid-Term Exams on December 16th, 17th, and 18th. Since all 7th–10th graders will take Mid-Term Exams, **students will be released at 11:30 a.m.** If your child has to make up a test due to an **excused** absence, you can bring him/her at 8:00 a.m. on December 19th and pick up your child when he/she finishes testing.

If you have already ordered lunch for those days, we will get their lunch from The Blvd before your child leaves school. There will be no Aftercare on these days for 7th - 10th graders.

Due to some students' school schedules, a few students will have slightly different testing schedules. These students will receive a testing schedule on colored paper by Friday, December 6.

Thank you for preparing your child for these exams and for a wonderful first semester. If you have any questions, please contact Dr. Monistere at mmonistere@courtneycs.org.
